

Pivital - Original Gut Support Blend

Small Habit. Big Pivot.

A gentle, high fibre food supplement with prebiotics and live cultures formulated to support regular digestion and nourish beneficial gut bacteria.

Product Features

- ✓ 100% Plant Based

✓ Clinically Studied Ingredients

✓ Dissolves Easily
- ✓ High in Fibre

✓ Supports Digestion

✓ No Added Sugars
- ✓ No Dairy Ingredients

✓ No Artificial Additives

✓ No GMOs

Directions

Mix 1 heaped tablespoon (11g) once daily into 250 – 500ml of water or your preferred cold or warm drink (e.g. coffee or smoothies). Do not mix with boiling liquids. For best dispersion, stir well for 20 seconds, allow to stand for 2 minutes, then stir again.

If new to fibre, begin with ½ tablespoon for 3–5 days before increasing to a full serving. A light white layer may appear after standing – this is normal; simply stir again until fully dispersed.

Guidance

Do not exceed the recommended daily intake (11g). Food supplements should not be used as a substitute for a varied, balanced diet and healthy lifestyle.

If pregnant, breastfeeding or under medical supervision, consult a healthcare professional before use.

Storage

Store in a cool, dry place. Keep out of reach of young children. Reseal securely after use.

Allergen Information

No ingredients containing the 14 major UK declarable allergens are intentionally added.

Manufactured in a facility that also handles milk, nuts and soya.

Nutritional Information

Serving Size: 11g

Servings Per Pouch: 28
